BONFILS-STANTON FOUNDATION ANNOUNCES NEW CHAIRMAN OF THE BOARD

Harold R. Logan elected as Chairman of the Board by Bonfils-Stanton Foundation

DENVER, CO (June 20, 2017) – Bonfils-Stanton Foundation today announced that Harold R. Logan, Jr. has been elected its Chairman of the Board. He replaces J. Landis Martin who stepped down from the Board in May 2017. Logan has served on the Board of Trustees at Bonfils-Stanton Foundation since 2004.

“For over 16 years, it has been my honor and pleasure to be a part of such an extraordinary organization doing great work in our community.

And while it was a difficult decision to step down, I know the Foundation will continue to succeed under Hal’s exceptional leadership,” says J. Landis Martin.

Harold R. Logan, Jr. is Lead Director of Cimarex Energy Co., Lead Director of InfraREIT Inc., and Board Chair of Suburban Propane Partners, all of which are NYSE listed companies. He has extensive experience in finance, including investment banking/venture capital, and as senior financial officer and director of publicly owned companies.

“I am happy to follow in the footsteps of Lanny Martin and look forward to continuing the important work of the Foundation - supporting the arts community in Denver,” says Hal Logan. “It’s a very dynamic city, and the arts are vital to the development of a thriving community and Bonfils-Stanton Foundation is pleased to play a role in that development.”

Serving the community is a high priority for Logan. He participates on the board of several nonprofit organizations, including Denver Museum of Nature & Science where he is the current Vice Chair, the Scientific and Cultural Facilities District (SCFD) – serving as its Treasurer, and a Trustee of Clyfford Still Museum Foundation. He’s also the former chair of the Denver Botanic Gardens Board, and he serves on the strategic development team for Cleo Parker Robinson Dance.

In addition to electing a new Chair, Bonfils-Stanton Foundation is also pleased to announce Elaine Mariner as its newest Community Trustee. She joined the Board in April 2017. Elaine is currently the Cultural Director for the Town of Parker, Colorado. She’s the former Director for the Colorado Creative Industries Division for the State Office of Economic Development.
